About Vivekananda Kendra

Vivekananda Kendra, Kanyakumari is a spiritually oriented service organization with headquarters at Kanyakumari. It was after the inauguration of Vivekananda Rock Memorial at Kanyakumari in 1970, which is built with the support of lakhs of common people and many state governments to commemorate the memory of Swami Vivekananda's historic meditation that the organization was thought of to take the message and work of Swami Vivekananda to the masses of India. Swami Vivekananda gave the message for India to elevate herself so that she could contribute for the progress of humanity.

Concept Information Technologies

Commissioning of Shati Surabhi bio- methanation plant at Vivekananda Ashram, Vellimalai, Kanyakumari District.

A company's sense of responsibility towards the community in which it operates. Concept express this citizenship by contributing educational and social programs and by earning adequate returns on the employed resources.
